HP Color LaserJet Pro MFP M277dw

You'd never expect this much performance from such a small package. This loaded MFP and Original HP Toner cartridges with JetIntelligence combine to give you the tools you need to get the job done.

Accomplish more with the time you have

- Create professional-quality colour documents, and speed through tasks with super-fast two-sided printing.¹
- Choose the MFP that's the smallest in its class, and prints from sleep mode faster than comparable devices.¹
- Access time-saving apps from the 3-inch (7.6 cm) touchscreen, and scan directly to email and the cloud.²
- Easily print Microsoft® Word and PowerPoint® documents—now directly from your USB drive.⁵

Easy mobile printing options

- Print to this MFP with just a touch of your NFC-enabled mobile device—no network needed.⁹
- Count on wireless direct printing in the office—from mobile devices—without accessing the company network.¹⁰
- Easily print from a variety of smartphones and tablets—generally no setup or apps required.³

More pages, performance, and protection

- Get more pages than ever before—using Original HP High-Yield Colour Toner cartridges with JetIntelligence.⁵
- Count on professional quality at high speeds—high-impact powerful toner works best with your HP printer.
- Get the authentic HP quality you paid for with anti-fraud technology.
- Print right away with preinstalled toner cartridges. Replace them with optional high-yield cartridges.⁷

Meet everyday IT challenges head-on

- Safeguard data and easily manage devices with a suite of essential security and management features.
- Easily access, print, and share resources with Ethernet and wireless networking.⁸
- Increase security, restore control, and help avoid additional expenses—with HP JetAdvantage Private Print.⁴
- Protect your investment with HP Care Pack. Let our HP certified engineers resolve all your technical issues.¹¹

¹ Comparison based on manufacturers' published specifications (as of November 2014) and includes color laser multifunction printers (MFPs) with print speed between 11 and 20 pages per minute (ppm).

² Requires a wireless access point and an Internet connection to the printer. Services require registration. App availability varies by country, language, and agreements. For details, visit hpconnected.com

³ Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details. Some features require purchase of optional module.

⁴ Available only in North America and select European countries. Feature is available at no charge and requires the MFP be connected to the Internet with web services enabled. For more information, see hpjetadvantage.com

⁵ As compared with maximum-capacity cartridge yields for predecessor products. For details, see hp.com/go/learnaboutsupplies

⁶ Microsoft and PowerPoint are U.S. registered trademarks of the Microsoft group of companies. Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin language fonts are supported.

⁷ High-yield Original HP 201X LaserJet Toner cartridges not included; please purchase separately.

⁸ Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

⁹ Requires a compatible near-field communications (NFC)-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see hp.com/go/nfcprinting

¹⁰ Mobile device must be connected directly to the printer's wireless network prior to printing. Depending on mobile device, an app or driver may also be required.

¹¹ Wireless performance is dependent on physical environment and distance from the access point in the printer.

¹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

² First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see hp.com/go/printerclaims.

³ Exact speed varies depending on the system configuration, software application, driver, and document complexity.

⁴ May require a firmware upgrade to be compatible, download at hp.com/go/support

⁵ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

⁶ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁷ Acoustic values subject to change. For current information see hp.com/support. Configuration tested: M277dw model, simplex printing or copying, A4 paper at an average of 18 ppm.

⁸ Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.
