DocuPrint M455 df Monochrome Multifunction Printer

Simplicity, Mobility
and Convenience

Fuji Xerox DocuPrint M455 df Multifunction Printer

Produce professional-looking documents quickly. With the DocuPrint M455 df multifunction printer, you'll get best-in-class speed¹, expanded capabilities and professional-looking print quality for your busy office.

Your Productive Advantage

With best-in-class¹ speed, print resolution and media capacity, your busy office can maximise workflow and minimise waiting.

- **Built for speed.** Press print and the DocuPrint M455 df is off and running, delivering 45ppm with the first page out in as little as 5 seconds – the quickest monochrome print speeds in its class¹.
- **True multifunction capability.** The icon based, intuitive 4.3-inch colour touch screen on the DocuPrint M455 df lets you program your next job while another is in progress.
- **Digitise...and simplify.** Easily turn cumbersome hard copy forms and documents into portable, digital files. Enjoy the added convenience of sharing your digital files automatically via email. You can even send your files to an established network folder or export them to a USB memory device.
- **Easily scan legal-sized pages.** With the DocuPrint M455 df legal-sized platen, you can scan larger pages without disassembling your bound documents.
- **Expand your capabilities.** Customise to your specific business needs with optional Wi-Fi or SD Card. Plus, three additional trays let you expand your work to fit different paper sizes and stocks, or extend media capacity during peak workloads.
- **Dependable day after day.** Enjoy quick startup and everyday operation. Plus handle device administration remotely from any networked computer's browser with CentreWare[®] IS.

Powerful Capabilities Made Affordable

Even small work teams can benefit from the powerful and affordable options and capabilities delivered by the DocuPrint M455 df.

- **All-in-one savings.** The DocuPrint M455 df combines the functions of a copier, printer, scanner and fax machine into a single value packed unit that can generate savings on energy and supplies costs.
- **Reduce your paper usage.** You'll dramatically cut your paper usage and related costs thanks to automatic two-sided printing. Plus N-up printing saves printing costs, and lets you print multiple pages on one sheet – a useful option when sharing presentations.
- **Freedom, unplugged.** With optional Wi-Fi capabilities, the DocuPrint M455 df is ready to go to work wherever it's needed.
- **Increase your efficiency.** Extra-high capacity toner cartridges allow you to spend less time loading supplies and more time getting work done.
- **Keep your information safe.** Secure Print keeps your sensitive documents out of the wrong hands by requiring users to enter a personal identification number at the device to print documents.

Attention-grabbing Print Quality

No matter what business you're in, the DocuPrint M455 df delivers images that get your work noticed.

- **Crisp details.** Add definition and clarity to your documents with true print resolution of up to 1200 x 1200 dpi. Your printed communications never looked better.
- **Unique Fuji Xerox[®] EA Toner.** Fuses at a much lower temperature, reducing power consumption by up to 20 % and CO2 emissions by up to 35 %, compared to conventional toner.

Print When and Where You Want

Apple[®] AirPrint[™] lets you print, email and import office documents directly from your mobile iOS device when connected to your office Wi-Fi network. And when working offsite, you can use Google Cloud Print[®] to print documents back at the office so they are waiting for you when you return.
