ppm

All the functionalities your office needs in one compact device.

The RICOH SP 112 is a slim, attractive and compact printer. Its small footprint takes up minimal office space, while its quiet, fan-less operation won't disturb the peace of a home/small office. The SP 112 features a quick first print speed and USB compatibility, providing high-resolution, professional output at 16 pages per minute, enabling you to produce consistently top-quality documents. Designed to be a pleasure to use, its full front access simplifies paper handling and cartridge replacement. RICOH SP 112 offers the high reliability and user-friendliness you expect from Ricoh.

RICOH SP 112

Ricoh's most compact and affordable black & white printer

**Small in size,
big in duty**

In spite of its compact size, the SP112 provides perfect quality printing and durable performance. It delivers up to 10,000 sheets monthly duty cycle which you can count on for long-term performance.

**Easy & quiet
operation**

The SP 112 comes without a built-in fan. No hot air, no noise – simply the perfect solution for desktop use. It comes with full front access that eases replacement of the economical cartridge and automatic paper jam removal function that minimises downtime.

**Environmentally
friendly**

Ricoh products are designed to be environmentally-friendly at every stage of their life. The quick start-up technology results in optimised use of the energy saver mode, resulting in low power consumption and clean operation.
