The Brother QL-570 Professional Label Printer is the perfect synergy of functionality and design.

Introducing the sleek, compact and stylish Brother QL-570 Professional Label Printer. Perfect for creating cost effective labels on demand for envelopes, packages, file folders, CD/ DVD, name badges and more...Once you use the Brother QL-570 Label Printer you will discover many more uses for this versatile product. The Brother QL-570 Label Printer is for those wanting to create customized labels quickly and easily so they can look more professional and become more organised.

User Friendly Control Panel
Easy access control panel button with 3 color LED status display.

Easy Drop-In Label And Tape Rolls
The Brother QL-570 Label Printer uses easy drop-in rolls so you can switch label types in seconds. The machine automatically senses which roll you have in and adjusts your onscreen.

Prints High-Resolution Text And Graphics
Create labels from 12.7mm up to 1 metre in length, using the built-in automatic cutter.

Automatic Built-in Cutter
This allows for labels to be cut at the end of each printed label, to easily manage large print jobs. Or, cut at the end of the print job when using continuous tapes, ensuring a clean professional finish

USB Connection
Connect to your computer via the included USB cord

Compact Design
Small footprint and low profile. Requires minimal space

Other Features

Fast Print Speed
The Brother QL-570 Label Printer can print up to 68 labels* per minute (faster then one per second!)
