Compact. Rugged. Connected.

Fast, compact, rugged and ready to connect to virtually any device. RJ-2000 series raises the bar in mobile printing performance, ruggedness and operating system compatibility.

- **Fast.** Prints at 152mm per second

- **Rugged.** IP54 certified, 2.5m drop tested, and tumble tested for long-term durability

- **Versatile.** Compatible with Android™, iOS®, and Windows® and available with dual wireless radio for Bluetooth® or WiFi support

- **Advanced.** First in 2" class to be Apple AirPrint® compatible and new REMOTE UPDATE feature to automatically update printer settings while in the field and actively in use
