Compact and durable A4 MFP for daily use

The SP 3610SF offers everything you need for cost-effective black-and-white printing, copying, scanning and faxing. With an attractive purchase price and low Total Cost of Ownership this multifunctional device is a sensible long-term investment. To optimise your office productivity, Ricoh's new controller offers outstanding speeds and performance. In addition, this device fits easily on a desktop for quick operation and easy maintenance thanks to its small footprint and full front access. In short, the SP 3610SF will help you become even more productive, day in, day out, in an environmentally responsible manner.

- Save money with a low Total Cost of Ownership
- Save space thanks to a compact, small footprint
- Create high quality documents with 1,200 dpi printing
- Easy operation and maintenance
- Reduce your environmental impact: low power consumption

High productivity, low environmental impact

Highly productive

Equipped with the latest Ricoh controller, the SP 3610SF offer high performance as well as fit-for-purpose functionality. Your first printout is ready in just 6.5 seconds, after which the device speeds along at 30 pages per minute. The single pass duplex scanner ensures further productivity. Print resolution on the other hand is a high 1,200 x 1,200 dpi. To top it off, the device is suitable for a duty cycle of 50,000 prints while @Remote is included as standard and WiFi connectivity is optional.

Low Total Cost of Ownership

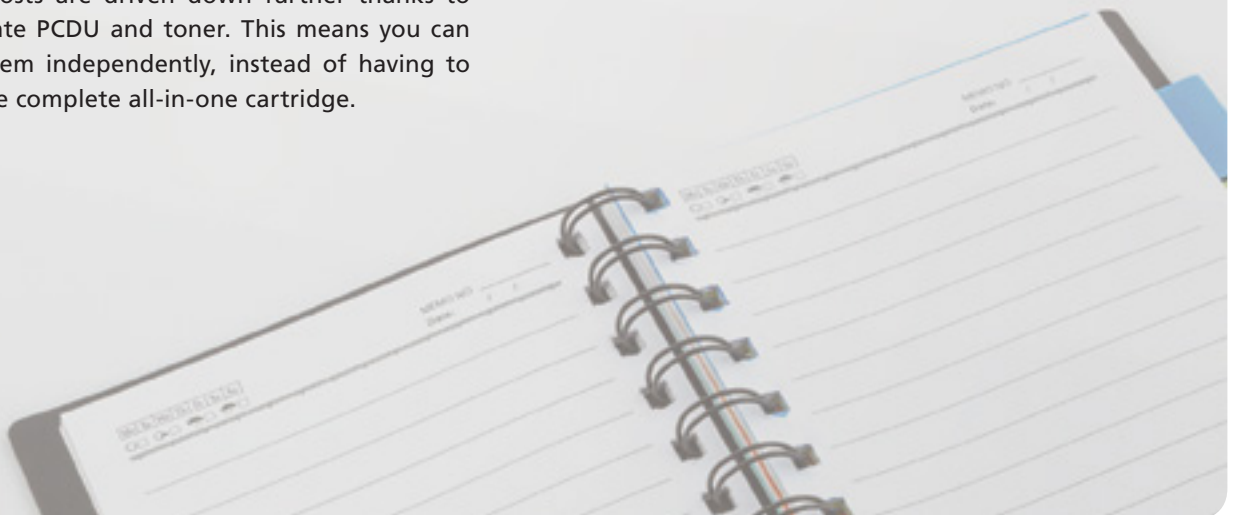

With a competitive price and low Total Electricity Consumption, the SP 3610SF is an attractive purchase for small- to medium-sized offices. The PxP toner fuses at a lower temperature than normal, reducing energy costs. Toner consumption can be limited by using the 'toner save' feature. Running costs are driven down further thanks to the separate PCPU and toner. This means you can change them independently, instead of having to replace the complete all-in-one cartridge.

Compact and easy to operate

Thanks to their small footprint, the SP 3610SF easily fits on any office desktop. Full front access is guaranteed for trouble-free maintenance. The device is also a delight to use thanks to the 4-line LCD panel and short recovery from sleep: ready for action in no time!

Environmentally friendly

The Ricoh philosophy is to provide optimal performance with the lowest environmental impact. With the SP 3610SF's ultra-sleep and ECO modes energy consumption and CO₂ emissions are reduced to a minimum. During the design phase, recycled and bio-plastic components are used wherever possible. In addition, power consumption during operation is lowest in class and the use of toner and paper is efficiently managed to save resources.

RICOH SP 3610SF

MAIN SPECIFICATIONS

GENERAL

Technology:	LED
Warm-up time:	14 seconds
First output speed:	6.5 seconds
Print speed:	30 pages per minute (A4 SEF)
Memory:	Standard: 512 MB
Duty cycle:	50,000 prints per month
Dimensions (W x D x H):	400 x 392 x 406 mm
Weight:	19 kg
Power source:	220 - 240 V, 50/60 Hz

COPIER

Copying process:	Laser beam scanning and electrophotographic printing
Multiple copying:	Up to 99 copies as default
Resolution:	Up to 600 x 600 dpi
Zoom:	From 25% to 400% in 1% steps

PRINTER

Printer language:	Standard: PCL5e, PCL6, Adobe® PostScript® 3™
Print resolution:	300 x 300 dpi, 600 x 600 dpi, 1,200 x 1,200 dpi
Fonts:	PCL (45 fonts, International fonts: 13 Intellifonts), PS3 (136 fonts)
Interface:	Standard: USB 2.0, Ethernet 10 base-T/100 base-TX Option: Wireless LAN (IEEE 802.11a/b/g/n)
Network protocol:	TCP/IP (IP v4, IP v6)
Windows® environments:	Windows® XP, Windows® Vista, Windows® 7, Windows® 8, Windows® 8.1, Windows® Server 2003, Windows® Server 2003R2, Windows® Server 2008, Windows® Server 2008R2, Windows® Server 2012, Windows® Server 2012R2
Mac OS environments:	Macintosh OS X Native v10.6 or later

SCANNER

Scanning speed:	Full colour: Over 6ipm (A4 SEF/LT LEF: 300dpi) B/W: Over 20ipm (A4 SEF/LT LEF: 300dpi)
Resolution:	Standard: 100 dpi, 200 dpi, 300 dpi, 400 dpi, 600 dpi Default: 200dpi
Bundled drivers:	Network TWAIN, USB TWAIN
Scan to:	E-mail (SMTP Auth, POP before SMTP), USB, SMB, FTP

FAX

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3
Transmission speed:	G3:3 second
Modem speed:	33.6 Kbps
Scanning speed:	2.5 second(s) or less
Memory capacity:	Standard: 16 MB
Memory backup:	No

PAPER HANDLING

Recommended paper size:	A4~A6, Custom size
Paper input capacity:	Standard: 350 sheets Maximum: 850 sheets
Paper output capacity:	Maximum: 125 sheets
Paper weight:	Standard paper tray(s): 52 - 162 g/m ² Optional paper tray(s): 52 - 162 g/m ² Bypass tray: 52 - 162 g/m ² Duplex: 52 - 162 g/m ²

ECOLOGY

Power consumption:	Maximum: 1,006 W Energy Saver mode: 1 W
--------------------	--

OPTIONS

1 x 250-sheet paper tray, 1 x 500-sheet paper tray, Wireless LAN (IEEE 802.11a/b/g/n)

CONSUMABLES

Starter toner:	Black: 1,500 prints
PCDU yield:	Black: 20,000 prints
Maintenance kit:	Black: 120,000 prints
Toner cartridge (low yield):	Black: 3,000 prints
Toner cartridge (medium yield):	Black: 6,000 prints
