Our earth, Our tomorrow

Speedy low cost multitasker

Your printer is the hub of your office, busy with a varied list of printing, copying, scanning or faxing documents. Network-ready, the speed and efficiency of the SP 3510SF takes care of this. It can also help you to optimise your workflow with paperless fax sending and scan distribution to email, folder and USB memory. With quality black and white prints and high resolution scanning abilities, you cannot go wrong with the SP 3510SF.

Printer features – at a glance

1 This mono device produces high-quality black and white prints and has a print resolution of 1,200 x 1,200 dpi

2 Enjoy speeds of 28 ppm for both printing and coping

3 Print, Copy, Scan, Fax. This four-in-one device gives you the ability to multitask

4 With its low Total Cost of Ownership (TCO), this economical device is ideal for price conscious businesses

5 This device is Energy Star compliant

Secure printing

Avoid unauthorised use of your document system by setting up user identification, such as LDAP authentication. This function covers copy, push scan and fax functions. Print jobs can be protected in Locked Print mode and the machine will only release the document when a password is entered via the control panel.

User-friendly design

Replacing toner or adjusting paper settings? All device operations can be performed from the front of the machine. Carry out two maintenance duties at once: our all-in-one cartridges include the drum unit – this straightforward system keeps you up and running.

Reduce your costs

The all-in-one functionality of the SP 3510SF helps to consolidate costs. Standard duplexing and energy saver mode help even more. You can also spend less on paper with the devices' standard scan-to and PC fax functions.

Productivity that saves time

The SP 3510SF needs less than 30 seconds to warm-up and a crisp first print arrives on your desk in no more than 8 seconds.

Highly productive

Raise the pace in your office:

- Full duplex copy
- Print 28 ppm single-sided or 14 pages in duplex mode
- Send a fax in 5 seconds
- Scan a colour page in less than 10 seconds
- Enjoy smart distribution solutions

Environmentally friendly printing

Like all Ricoh products, the SP 3510SF reflects Ricoh's commitment to the environment through the use of toxic free materials and low power consumption (Energy Saver mode).
